Attention: Ms Sharon Prinz, Chair

Dear Sharon:

Re: Engagement letter

The Objective and scope of the compilation engagement

You have requested that, on the basis of information that you will provide, I assist you in the preparation of the compiled financial information for Wasa Lake Land Improvement District, which comprise the statement of financial position as at December 31, 2022, and Note 1, which describes the basis of accounting to be applied in the preparation of the compiled financial information.

The intended use of the compiled financial information

The compiled financial information is intended to be used by management of Wasa Lake Land Improvement District and third parties, being [e.g., *current or potential lenders, suppliers, stakeholders*]. Those parties are in a position to request and obtain further information from the entity.

I am pleased to confirm my acceptance and understanding of this compilation engagement by means of this letter.

The practitioner's responsibilities

I will perform the compilation engagement in accordance with Canadian Standard on Related Services (CSRS) 4200, *Compilation Engagements*, which requires me to comply with relevant ethical requirements.

A compilation engagement involves me assisting you in the preparation of compiled financial information. Since a compilation engagement is not an assurance engagement, I am not required to perform procedures to verify the accuracy or completeness of the information you provide to me for the compilation engagement. Accordingly, I will not express an audit opinion or a review conclusion, or provide any form of assurance on the compiled financial information.

Management's responsibilities

The compilation engagement is performed on the basis that you acknowledge that:

- a. The third party that intends to use the compiled financial information is in a position to request and obtain further information from the entity;
- b. A compilation engagement is appropriate for the intended use;

- c. You understand that a compilation engagement will not fulfill the entity's legal, regulatory or contractual provisions, if any, for an audit engagement or a review engagement; and
- d. You understand that the compiled financial information should not be used by third parties other than those who are in a position to request or obtain further information from the entity, or have agreed with you the basis of accounting to be applied in the preparation of the compiled financial information.

Further, you acknowledge that you are responsible for:

- a. The compiled financial information;
- b. Selecting the basis of accounting to be applied in the preparation of the compiled financial information that is appropriate for the intended use;
- c. The accuracy and completeness of the information provided to me; and
- d. Attaching the compilation engagement report when distributing or reproducing the compiled financial information.

Confidentiality

One of the underlying principles of the profession is a duty of confidentiality with respect to client affairs. Each professional accountant must preserve the secrecy of all confidential information that becomes known during the practice of the profession. Accordingly, I will not provide any third party with confidential information concerning the affairs of Wasa Lake Land Improvement District unless:

- a. I have been specifically authorized with prior consent;
- b. I have been ordered or expressly required by law or by the British Columbia *Code of Professional Conduct/Code of Ethics*; or
- c. The information requested is (or enters into) public domain.

Communications

In performing my services, I will send messages and documents electronically. As such communications can be intercepted, misdirected, infected by a virus or otherwise used or communicated by an unintended third party, I cannot guarantee or warrant that communications from me will be properly delivered only to the addressee. Therefore, I specifically disclaim, and you release me from any liability or responsibility whatsoever for interception or unintentional disclosure of communications transmitted by me in connection with the performance of this Engagement. In that regard, you agree that I shall have no liability for any loss or damage to any person or entity resulting from such communications, including any that are consequential, incidental, direct, indirect, punitive, exemplary or special damages (such as loss of data, revenues, or anticipated profits).

If you do not consent to my use of electronic communications, please notify me in writing.

Use of Information

It is acknowledged that I will have access to all information about identified individuals ("personal information") in your custody that I require to complete my Engagement. My services are provided on the basis that:

- a. You represent to me that management has obtained any required consents for my collection, use, disclosure, storage, transfer and process of personal information required under applicable privacy legislation and professional regulation; and
- b. I will hold all personal information in compliance with my Privacy Statement.

Use and Distribution of My Communication

The compilation of the financial information and the issuance of my *Compilation Engagement Report* communication are solely for the use of Wasa Lake Land Improvement District and those to whom my report is specifically addressed by me. I make no representations, or warranties of any kind to any third party in respect of these financial information or my *Compilation Engagement Report* communication and I accept no responsibility for their use by any third party or any liability to anyone other than Wasa Lake Land Improvement District.

For greater clarity, my *Compilation Engagement Report* will not be planned or conducted for any third party or for any specific transaction. Accordingly, items of possible interest to a third party may not be addressed and matters may exist that would be assessed differently by a third party, including, without limitation, in connection with a specific transaction. My communication should not be circulated (beyond Wasa Lake Land Improvement District) or relied upon by any third party for any purpose, without my prior written consent.

You agree that my name may be used only with my prior written consent and that any information to which I have attached a communication be issued with that communication, unless otherwise agreed to by me in writing.

Ownership

The working papers, files, other materials, reports and work created, developed or performed by me during the course of the Engagement are the property of my firm, constitute my confidential information and will be retained by me in accordance with my firm's policies and procedures.

During the course of my work, I may provide, for your own use, certain software, spreadsheets and other intellectual property to assist with the provision of my services. Such software, spreadsheets and other intellectual property must not be copied, distributed or used for any other purpose. I also do not provide any warranties in relation to these items and will not be liable for any lost or corrupted data or other damage or loss suffered or incurred by you in connection with your use of them.

I retain the copyright and all intellectual property rights in any original materials provided to you.

File Inspections

In accordance with professional regulations (and by my firm's policy), my client files must periodically be reviewed by practice inspectors and by other firm personnel to ensure that I am adhering to professional and firm standards. File reviewers are required to maintain confidentiality of client information.

Accounting Advice

Except as outlined in this letter, this Engagement does not contemplate the provision of specific accounting advice or opinions or the issuance of a written report on the application of accounting standards to specific transactions and to the facts and circumstances of the entity. Such services, if requested, would be provided under a separate engagement letter.

Dispute Resolution

You agree that any dispute that may arise regarding the meaning, performance or enforcement of this Engagement will, prior to resorting to litigation, be submitted to mediation.

Indemnity

Wasa Lake Land Improvement District hereby agrees to indemnify, defend (by counsel retained and instructed by me) and hold harmless my firm (and its partners, agents and employees) from and against any and all losses, costs (including solicitors' fees), damages, expenses, claims, demands and liabilities arising out of (or in consequence of):

- a. The breach by Wasa Lake Land Improvement District, or its directors, officers, agents or employees, of any of the covenants or obligations of Wasa Lake Land Improvement District herein, including, without restricting the generality of the foregoing, the misuse of, or the unauthorized dissemination of, my engagement report or the financial information in reference to which the engagement report is issued, or any other work product made available to you by my firm.
- b. A misrepresentation by a member of your management or board of directors.

Limitation of Liability

My aggregate liability for all claims, losses, liabilities and damages in connection with this Engagement, whether as a result of breach of contract, tort (including negligence), or otherwise, regardless of the theory of liability, is limited to \$1,000,000. My liability shall be several and not joint and several. I shall only be liable for my proportionate share of any loss or damage, based on my contribution relative to the others' contributions and only if your claim is commenced within 24 months or less of the date Wasa Lake Land Improvement District should have been aware of the potential claim. In addition, I will not be liable in any event for consequential, incidental, indirect, punitive, exemplary, aggravated or special damages, including any amount for loss of profit, data or goodwill, whether or not the likelihood of such loss or damage was contemplated.

Time Frames

I will use all reasonable efforts to complete the Engagement as described in this letter within the agreed upon time frames.

However, I shall not be liable for failures or delays in performance that arise from causes beyond my reasonable control, including any delays in the performance by Wasa Lake Land Improvement District of its obligations.

Concerns

If at any time you would like to discuss my services or make a complaint, please contact your engagement partner or *[insert name of managing or other appropriate partner and phone number]*. I will listen to your concerns and investigate any complaint on a timely basis.

Fees at Regular Billing Rate

My professional fees will be based on my regular billing rates, plus direct out-of-pocket expenses and applicable GST and PST, and are due when rendered. Fees for any additional services will be established separately.

Billing

My fees and costs will be billed monthly and are payable upon receipt. Invoices unpaid 30 days past the billing date may be deemed delinquent and are subject to an interest charge of 1.50% per month or 18.00% (APR) per annum. I reserve the right to suspend my services or to withdraw from this Engagement in the event that any of my invoices are deemed delinquent. In the event that any collection action is required to collect unpaid balances due to me, you agree to reimburse me for my costs of collection, including lawyers' fees.

Costs of Responding to Government or Legal Processes

In the event I am required to respond to a subpoena, court order, government agency or other legal process for the production of documents and/or testimony relative to information I obtained and/or prepared during the course of this Engagement, you agree to compensate me at my normal hourly rates for the time I expend in connection with such response and to reimburse me for all of my out-of-pocket costs (including applicable GST and PST) incurred.

Termination

Management acknowledges and understands that failure to fulfill its obligations as set out in this engagement letter will result, upon written notice, in the termination of the Engagement.

Either party may terminate this agreement for any reason upon providing written notice to the other party *[not less than 30 calendar days before the effective date of termination]*. If early termination takes place, Wasa Lake Land Improvement District shall be responsible for all time and expenses incurred up to the termination date.

If I am unable to complete the Engagement I may withdraw from the Engagement before issuing a *Compilation Engagement Report* communication or compiling the financial information. If this occurs, I will communicate the reasons and provide details.

Survival of Terms

This engagement letter will continue in force for subsequent Engagements unless terminated by either party by written notice prior to the commencement of the subsequent Engagement.

Other Terms of Engagement

Subject to management review and approval, I will carry out such bookkeeping as I find necessary prior to the preparation of the financial information, prepare the necessary federal and provincial income tax returns and prepare any special reports as required. Management will provide the information necessary to complete the returns/reports and will file them with the appropriate authorities on a timely basis.

It should be noted that my accounting work in the area of GST and PST and other commodity taxes is limited to that appropriate to complete the financial information. Accordingly, I may not detect situations where you are incorrectly collecting GST and PST or incorrectly claiming input tax credits. As you are aware, failure to properly account for the GST and PST could result in you or your company becoming liable for tax, interest or penalties. These situations may also arise for provincial sales tax, custom duties and excise taxes.

I will also be pleased to provide additional services upon request. Such services include income tax planning, GST and PST advice, business financing, management consulting and valuations.

Not Liable For Any Failures or Delays Beyond My Control

I will use all reasonable efforts to complete the engagement as described in this letter within the agreed-upon time frames. However, I shall not be liable for failures or delays in performance that arise from causes beyond my control, including the untimely performance by your Improvement District of its obligations.

Conclusion

This engagement letter includes the relevant terms that will govern the Engagement for which it has been prepared. The terms of this letter supersede any prior oral or written representations or commitments by or between the parties. Any material changes or additions to the terms set forth in this letter will only become effective if evidenced by a written amendment to this letter, signed by all of the parties.

If you have any questions about the contents of this letter, please raise them with me. If the services outlined are in accordance with your requirements, and if the above terms are acceptable to you, please sign the attached copy of this letter in the space provided and return it to me.

I appreciate the opportunity of continuing to be of service to your Improvement District.

We accept our responsibility for this compiled financial information as outlined in the engagement letter we signed on December 31, 2022.

Other Representations

Further, I confirm, to the best of my knowledge and belief, the following representations made by me to you during your compilation of these financial statements:

1. I have reviewed, approved and recorded all of the following:
 - a) Adjusting journal entries you prepared or changed;
 - b) Account codes you determined or changed;
 - c) Transactions you classified; and
 - d) Accounting records you prepared or changed.
2. I have no plans or intentions that may materially affect the carrying value or classification of assets and liabilities reflected in the financial statements.
3. Where the value of any asset has been impaired, an appropriate provision has been made in the financial statements. This includes:
 - a) Appropriate provisions for idle, abandoned, destroyed or obsolete assets or where site restoration costs will be necessary; and
 - b) Impairments in the value of goodwill or intangible assets.
4. I have disclosed to you, and the Improvement District has complied with, all aspects of contractual agreements that would have a material effect on the financial statements in the event of non-compliance, including all covenants, conditions or other requirements of all outstanding debt.
5. There have been no events subsequent to the balance sheet date up to the date hereof that would require recognition or disclosure in the financial statements. Further, there have been no events subsequent to the date of the comparative financial statements that would require adjustment of those financial statements and the related notes.
6. Receivables recorded in the financial statements represent valid claims against debtors for sales or other charges arising on or before the balance sheet date and have been appropriately reduced to their estimated net realizable value.

Other Representations *(continued)*

7. There were no inventories on consignment, bill-and-hold, or other arrangements, either owned by me or by my suppliers. Provision, when material, has been made (i) to reduce excess or obsolete inventories to their estimated net realizable value and (ii) for any loss to be sustained as a result of purchase commitments for inventory quantities in excess of normal requirements or at prices in excess of the prevailing market prices.
8. There are no material unrecorded assets or contingent assets (such as claims relating to patent infringements or unfulfilled contracts whose value depends on satisfying conditions regarded as uncertain), that have not been disclosed to you.
9. I have disclosed to you all significant estimates and fair value measurements. I am of the opinion that:

11. The minute books of the Improvement District are a complete record of all meetings and resolutions of trustees and directors throughout the period and to the present date.
12. I am aware of the environmental laws and regulations that have an impact on my Improvement District and I am in compliance. There are no known environmental liabilities that have not been accrued for or disclosed in the financial statements.
13. I have discussed with you all donations made by the Improvement District to qualified donees, and I understand that any donations made to Qualified Donees that may be used for political activities by the Qualified Donee, may be considered by the Canada Revenue Agency (CRA) to be a political activity expenditure made directly by the Improvement District.
14. All accounting and financial records and related data of the Improvement District have been made available to you, and you have been made aware of and given access to outside sources of information where applicable.
15. All information necessary to compile these financial statements has been disclosed to you.
