Dear Property-Owners: The first crocus makes it really feel like spring!

ANNUAL GENERAL MEETING

The 2019 Annual General Meeting was held on April 11 at the Wasa Community Hall. The meeting was well attended and members of the very engaged audience asked excellent questions. Congratulations to Phil Godsava who renewed his 3 year trustee position by acclamation. Continuing on the board are Sharon Prinz, chair, Nowell Berg and Ged Kelly.

Decaying Docks

At last fall's Shoreline Cleanup, trustees noticed the increase of both blue and white styrofoam bits along the shore. Decrepit old docks with flaking styrofoam continue to be a problem on the lake. Not only does the styrofoam provide unsightly trash along the shoreline, but birds and fish are prone to ingest the bits and die a slow painful death on account of it. Please check your docks and repair or replace any that are falling apart.

The next regular board meeting will be held Thursday, **May 30 at 7 PM** at the Wasa Community Hall. Everyone is welcome to attend but because last minute changes do sometimes occur, please check the website www.wasalake.ca to confirm the schedule and download the agenda. If you wish to address the board, please notify the secretary at admin@wasalake.ca

A special thanks to everyone who came out to the Annual General Meeting!

WLLID TRUSTEES

Please contact the secretary at admin@wasalake.ca with any questions or concerns.
