

AUGUST 2019 NEWSLETTER FROM WASA LAKE LAND IMPROVEMENT DISTRICT

Photo by Claire Rosehill

Dear Property-Owners: Good ol' summer days at Wasa Lake will soon come to an end for the summer!

SHORELINE CLEANUP SEPTEMBER 22, 2019 2:00 – 5:00 PM

Join the trustees, staff, and their families for the 4th annual Great Canadian Shoreline Cleanup on September 22, 2019. This event is registered at www.shorelinecleanup.ca and cleanup data will be submitted to the national website in order to track trends across Canada. More details to come.

MILFOIL REMINDER

Over the last several years, residents have expressed concern about the growth of Native Milfoil in Wasa Lake. Trustees would like to remind boaters to avoid the milfoil patches in Wasa Lake because propellers will chop up vegetation and spread its growth. There is a sign posted on the new BC Parks kiosk at the Main Boat Launch which shows where they are located around the lake. Also, please remove and dispose of any milfoil fragments on propellers. *(Please note that Wasa Lake milfoil is a non-invasive native species, not the dreaded Eurasian Milfoil.)*

FIRE UPDATES

The Wasa Volunteer Fire Prevention and Suppression group have kept busy throughout the summer and have scheduled another **CHIPPER DAY on October 15, 2019**. Check out their new website at <https://wasafire.weebly.com> for more information about this and other news.

Although we have had cooler temperatures and rain, the **FIRE BAN is still on** until official notice from the South-East Fire Centre. The following are prohibited: campfires more than .5 metre wide x .5 metre high, fireworks, air curtains, sky lanterns or binary exploding targets, and stubble or grass fires.

The next regular board meeting will be held **August 28th at 7 PM** at the Wasa Community Hall. Everyone is welcome to attend but because last minute changes do sometimes occur, please check the website www.wasalake.ca to confirm the schedule and download the agenda. If you wish to address the board, please notify the secretary at admin@wasalake.ca

Stay safe this summer!

WLLID TRUSTEES

Please contact the secretary at admin@wasalake.ca with any questions or comments.
