

## WASA LAKE LAND IMPROVEMENT DISTRICT NEWSLETTER FOR DECEMBER 2018

*Dear Property-owners: The weather has been pleasantly mild and dry, and more of the same seems to be forecast for the near future. Quite a change from last year at this time!*

### **HIGHLIGHTS OF 2018**

Another year has come and gone! Altogether, the four trustees contributed over 250 hours to the community. They attended meetings and workshops, measured and recorded lake water levels, filled out forms and grant applications, and liaised with other groups such as Invasive Species Council, RDEK, and Friends of Lake Windermere, to name just a few. Some of the highlights of the year include participation in the Great Canadian Shoreline Cleanup, completion of aerial surveys of the lake, and the installation of the data logger to measure and record lake water levels.

There will be no regular board meeting in December. The next meeting will be held Wednesday, January 9<sup>th</sup> at 7 PM at the Wasa Community Hall. Everyone is welcome to attend but because last minute changes do sometimes occur, please check the website [www.wasalake.ca](http://www.wasalake.ca) to confirm the schedule and download the agenda. If you wish to address the board, please notify the secretary at [admin@wasalake.ca](mailto:admin@wasalake.ca)

We would like to wish you and your families a

*Safe and Happy Holiday Season!*
