

WASA LAKE LAND IMPROVEMENT DISTRICT NEWSLETTER FOR FEBRUARY 2018

Dear Property-Owners: Brrrr...how's the wood pile holding out? We sure have been going through a lot of fuel lately but better weather (and spring) is finally here...we hope!

Annual General Meeting April 26

Trustees have set the date for the 2018 Annual General Meeting (AGM) for Thursday, April 26 at 7:00 PM at the Wasa Hall. The purpose of the AGM is for trustees to present the audited financial statements and to report on the activities of the past year. It is the best opportunity for tax payers to find out more about the Land Improvement District and to ask questions. All reports provided by the trustees are filed with the Ministry of Community, Sport, and Cultural Development.

Taxes

The November 30th deadline for payment of 2017 taxes is long gone. If you were one of the few who forgot or were unable to pay for any reason, you will have received a reminder in your mailbox by now. Please contact us if you are finding yourself in financial difficulty and we will consider a manageable payment plan for you. If you simply forgot, it is not too late to pay by mail to Box 133 or Interac Etransfer through your bank. If you wonder how your tax dollars are spent, check our website for more information about our activities or attend one of the meetings.

The next regular board meeting will be held **March 5th** at 10:00 AM at the Wasa Community Hall. Notices are always posted on community bulletin boards and on the website, however, occasionally dates or times have to be changed, so please check www.wasalake.ca to confirm the schedule and download the agenda.

Stay warm!
