

## HOW TO COMPLETE AN INTERAC ETRANSFER

Anyone who has a Canadian bank account and an email address can send an Interac Etransfer to someone else who also has a bank account and email address. You must have internet banking set up with your bank so you can log into your account first.

### To do an Interac Etransfer:

1. Log into your bank account
2. Select **Transfers** or **Interac Etransfers** (location of this option depends on your bank)
3. Follow the prompts, entering **Wasa Lake Land Improvement District as recipient** at this email address: [admin@wasalake.ca](mailto:admin@wasalake.ca)
4. Create a security question and answer.
5. Enter amount and OK (options may vary depending on your bank)
6. Email the answer to the security question in a separate message to [admin@wasalake.ca](mailto:admin@wasalake.ca). I need to know the answer to the security question in order to accept the transfer.
7. You will receive confirmation from your bank when the transfer is accepted.

*Good Luck!*

If you have any further questions, email us at [admin@wasalake.ca](mailto:admin@wasalake.ca) or contact your bank.
