

MARCH 2019 NEWSLETTER FROM WASA LAKE LAND IMPROVEMENT DISTRICT

Dear Property-Owners: Happy St Patrick's Day! The bluebirds are back.

TIME TO PREPARE FOR SPRING MELT

Spring is definitely here and it's not too early to consider the possibility of flooded basements and yards, depending on how the melt goes. The East Kootenay snowpack is at 88% of normal, so no wide scale flooding is anticipated at this point; however, things can change fast. Although the Regional District is the agency that responds to wide-scale flooding events, home-owners are responsible for protecting their own property. Here are some of the things that can be done to reduce the possibility of problems created by spring run-off:

- Ensure ditches and culverts are unobstructed. Although ditches and highways are the responsibility of Ministry of Highways, home owners are obliged to keep driveway culverts adjacent to public roads clear.
- Ensure water from your roof is being directed away your home.
- Remove any accumulated snow (snowbanks) near your house.

ANNUAL GENERAL MEETING Thursday, April 11 7:00 PM at Wasa Community Hall

The purpose of the AGM is to provide the opportunity for trustees to report on their activities over the past year and for property-owners to ask questions and to comment. It is also the time that new trustees to be elected to available positions on the board. Please note that **March 28th** is the deadline for nominations. Check the homepage at www.wasalake.ca for more information about elections.

The next regular board meeting will be held Tuesday, **April 3rd at 7 PM** at the Wasa Community Hall. Everyone is welcome to attend but because last minute changes do sometimes occur, please check the website www.wasalake.ca to confirm the schedule and download the agenda. If you wish to address the

board, please notify the secretary at admin@wasalake.ca

Hope to see you at the AGM!

WLLID TRUSTEES

Please contact the secretary at admin@wasalake.ca with any questions or concerns.
