

## MARCH 2016 NEWSLETTER FROM WASA LAKE LAND IMPROVEMENT DISTRICT

Dear Property-Owners: Those could be palm trees in the photo above! According to local authorities, the ice came off the lake at least 3 weeks earlier than usual this year.

### **New Trustees**

New trustees Annelise McRae and Nowell Berg will join Sharon Prinz, Laurie Kay, and current Chairperson Cliff Youngs to make up the 2016-2017 Board of Trustees. There were 2 positions open and only 2 nominations were submitted by the March 15 deadline. The board is looking forward to working with the new trustees. Congratulations!

### **ANNUAL GENERAL MEETING 7:00 PM WEDNESDAY March 30 2016**

The new trustees took their positions by acclamation and therefore there will be no election, but there will still be plenty going on at the AGM on March 30. Besides the usual reports on water quality, communication, and taxation, there will be a presentation on Native Milfoil in Wasa Lake. Property owners, both resident and non-resident, will have the opportunity to comment and ask questions about the past year's activities. The Agenda is available on the homepage of our website [www.wasalake.ca](http://www.wasalake.ca) We hope to see you at the AGM!

The inaugural meeting of the new board will be held immediately following the **March 30 AGM**. As always the public is welcome to attend.

Enjoy the spring weather!
