

PHIL GODSAVE

TRUSTEE

Phil Godsave has been a property owner at Wasa Lake since 2009.

He joined the WLLID because he has a special interest in lake water quality and quantity.

Phil holds a Bachelor of Science Degree with a major in Chemistry and a diploma in waste water treatment and has spent 30 years in the water chemistry field. Phil believes that his experience within the water industry gives him unique qualifications and expertise to aid in the WLLID mandate.

A devoted family man, Phil enjoys spending time at Wasa with his wife and children.
